

Monday, October 2nd, 2017
Symposium on French-Japanese cooperation on Disaster Risk Reduction
Auditorium of Maison franco-japonaise (日仏会館)

Session	Time		Presentation	Organism/Project	Speaker
<i>Chair: Sébastien CODINA Scientific Attaché, Embassy of France in Japan</i>	10:00	10:10	Welcome address	TBD Bureau français de la MFJ – UMIFRE 19	TBD Cécile SAKAI
	10:10	10:15	Overview on French-Japanese cooperation on DRR	Embassy of France	Pierre FEUARDANT
	10:15	10:35	Sendai Framework for Disaster Risk Reduction	UNISDR Office in Japan (TBC)	TBC
<i>Risk identification and assessment</i>	10:35	10:55	Observatories and monitoring systems	IPGP	Anne LE FRIANT
	10:55	11:15	Fluid circulations along the seismogenic zone: insights from natural examples and relationship with earthquake cycle	University of Kagoshima / University of Orléans	Yujin KITAMURA / Hugues RAIMBOURG
	11:15	11:35	TBD	ERI	TBD
	11:35	11:55	Imaging, sampling and monitoring subduction seismogenic zone	JAMSTEC	Shuichi KODAIRA
	11:55	12:15	Effect of a weak periodic modulation on earthquakes	ENS Paris/ERI	Takahiro HATANO
<i>Chair: Jean-Paul MONTAGNER Professor at IPGP</i>	12:15	12:35	Ground Penetrating Radar (GPR) and its applications	Tohoku University / IPGS	Maksim BANO / Motoyuki SATO
	12:35	12:55	Tsunamis in the Atlantic and the English Channel - Definition of the effects through numerical modeling	TANDEM	Hélène HEBERT
	12:55	13:10	<i>Panel discussion and questions</i>		
	13:10	14:20	<i>Lunch</i>		
	14:20	14:40	Earthquakes and landslide disasters	BRGM / DPRI	TBD
<i>Urban risk and social impact</i>	14:40	15:00	Dynamic soil-structure interaction: from a single foundation to the entire city ?	IFSTTAR	Jean-François SEMBLAT
	15:00	15:20	Improving the seismic risk analysis for nuclear facilities safety	SINAPS@	Catherine BERGE-THIERRY
	15:20	15:40	TBD	Univ. Grenoble Alpes	TBD
	15:40	16:00	Mediation Information system to support agility of crisis management	GéNéPi	Frédéric BENABEN
	16:00	16:20	<i>Coffee break</i>		
<i>Chair: Fumihiko IMAMURA Director of IRIDeS</i>	16:20	16:40	Protection from nuclear disaster and production of knowledge: the Fukushima case	CNRS-Clercé- University Lille 1	Thierry RIBAULT
	16:40	17:00	Disaster management and health emergencies	Mines Alès / University of Nîmes	Gilles DUSSERRE
	17:00	17:20	Lyon Urban School: new approaches to the urban vulnerability	University of Lyon	Michel LUSSAULT
	17:20	17:40	Tohoku University and IRIDeS role in Sendai Framework for DRR	Tohoku University/IRIDeS	Fumihiko IMAMURA
	17:40	17:55	<i>Panel discussion and questions</i>		
	17:55	18:00	Closing remarks	Embassy of France	Jean-Christophe AUFFRAY
